DECREE AND JUDGMENT OF THE DISTRICT COURT
ESTABLISHING A CONSERVANCY DISTRICT IN
SEMINOLE AND POTTAWATOMIE COUNTIES,
OKLAHOMA.
JESS HUSER, Court Clerk
DEPUTY

Now on this the 19th day of October, 1954, there comes on for hearing, pursuant to the Order of this Court heretofore made, the Petitions to establish a conservancy district in Seminole and Pottawatomie Counties, Oklahoma, and the petitioners appearing in person and by and through their attorney, E.D. Holley, of Law, Oklahoma, and the Court after examining the pleadings and notices of hearing, and after hearing the testimony of various and sundry witnesses, and being fully advised in the premises, finds:

That heretofore, on the 17th day of June, 1954, some 490 petitioners who own land in the proposed conservancy district filed in the Supreme Court of the State of Oklahoma, their petitions, praying the establishment, as by law provided, of a conservancy district, for the purposes named in said petitions; The Supreme Court of the State of Oklahoma finds that the District Court of Seminole County, Oklahoma, is most conveniently near the center of said conservancy district and can hear and determine said petition with greatest convenience to the people within said district, and thereafter on June 25th, 1954, assigned and referred said petition to the District Court of Seminole County, Oklahoma, for hearing determining and administering all further proceedings herein as an original action therein; and the District Court of Seminole County, Oklahoma, thereafter on August 11th, 1954, made and entered its order herein setting said petitions for hearing on the 19th day of October, 1954, in the District Court Room at Nowata, Oklahoma, said order providing that notice of the hearing of said petitions be given as provided by Chapter 5, Title 52, OSA;

And said matter coming on for hearing pursuant to said order and pursuant to notices published, the Court finds that notices of the hearing of said petitions were published for more than thirty days, as required by Chapter 5, Title 52, OSA; and the Court has examined the affidavits of the publishers on file, certifying that said notices were published as provided by law in the SHAWNEE NEWS-STAR, BOTH LEGAL PUBLICATIONS in Pottawatomie County, Oklahoma, and in the MAUD ENTERPRISE and THE SEMINOLE PROGRESS, both legal publications in Seminole County, Oklahoma, and all being located in the proposed conservancy district; and the Court finds that all of the above named newspapers are legally qualified to publish said notices as required by law; The Court therefore finds that said notices by publication are sufficient to give this Court jurisdiction of the subject matter herein, and said notices by publication are hereby approved by this Court;

The Court finds that said petitions and their exhibits were introduced in evidence before this Court, and the Court finds that after the inspection and examination of said petitions and exhibits, and after hearing the testimony of witnesses, who being duly sworn, said that they had examined and compared the names of the persons who signed the petitions herein with the names listed as the record title owners of the lands set opposite their names in said petitions, in the County Clerks' Offices of Seminole and Pottawatomie Counties, Oklahoma, and that said petitions contain more than 25% of the land owners in Seminole and Pottawatomie Counties, Oklahoma in the proposed conservancy district, and the Court therefore finds and concludes that this matter is now properly before the Court, and that this Court has jurisdiction to hear and determine the issues presented;

The Court further finds that no protests or objections have been filed herein, by any person, corporation, firm or sub-division of government;

The Court further finds that at the time of filing the petitions herein this conservancy district was number 3 and it was so numbered in the proceedings, but on this the 19th day of October, 1954, the date of hearing said petitions, another
