AGREEMENT TO PURCHASE

This Agreement to Purchase (this “**Agreement**”) is executed in connection with a sealed bid auction (the “**Auction**”) conducted by Schrader Real Estate and Auction Company, Inc., in cooperation with Richard Branch Auctioneers (collectively, “**Auction Companies**”), on behalf of Seller with respect to certain real estate in the City of Purcell, County of McClain, State of Oklahoma, put up for bids in two (2) separate tracts. The auction tracts are approximately depicted and identified by tract number in the Revised Auction Tract Map & Tract Descriptions which is included as Exhibit A in the Auction Exhibit Binder (“**Exhibit A**”). Exhibit A is incorporated as an integral part of this Agreement.

“**Seller**” refers to The City of Purcell, Oklahoma, a Municipal Corporation (if this purchase consists of Tract 1) or Purcell Public Works Authority, an Oklahoma Public Trust (if this purchase consists of Tract 2).

“**Buyer**” refers to the parties(s), whether one or more, signing as Buyer(s) on the signature page of this Agreement (the “**Signature Page**”). Buyer acknowledges having received the entire Sealed Bid Packet prepared for this Auction (“**Sealed Bid Packet**”), including the Bidder Instructions and the Auction Exhibit Binder containing Exhibits A through E (“**Auction Exhibit Binder**”).

Buyer’s execution and delivery of this Agreement, with the Bid Amount written on the Signature Page, constitutes an offer (this “**Offer**”) to purchase the particular auction tract designated on the Signature Page and identified by the same tract number in Exhibit A (the “**Purchased Tract**”).

NOW, THEREFORE, Buyer offers and agrees to purchase from Seller and Seller (upon execution and delivery of Seller’s acceptance) agrees to sell to Buyer the Property (as defined below) in accordance with and subject to the following terms and conditions:

1. **Subject of Agreement; Property.** The property to be conveyed and acquired pursuant to this Agreement (the “**Property**”) consists of: (a) the surface estate with respect to the land included with the Purchased Tract; and (b) if Buyer is purchasing Tract 1, all buildings, improvements and permanent fixtures presently existing on said land and appurtenant to the surface estate; *provided, however*, notwithstanding the foregoing definition, the “**Property**” to be acquired by Buyer does not include any item or property interest that is specifically excluded (or specified as not included) according to the express terms of this Agreement. This Agreement applies only to the Purchased Tract designated on the Signature Page of this Agreement. Any provision of this Agreement that refers to a specific auction tract that is not the Purchased Tract shall not apply unless and except to the extent that such provision also pertains to or affects the sale and/or conveyance of the Purchased Tract.

2. **Exclusion of Minerals.** All minerals under the surface of and/or that may be produced from the land comprising the Property, including oil, gas, coal, coalbed methane, all other hydrocarbons, lignite, all metallic minerals and all rights, fixtures and/or equipment appurtenant thereto (collectively, “**Minerals**”) are excluded from this sale and shall be excluded from the conveyance of the Property to Buyer. The meaning of the term “**Property**” as used throughout this Agreement shall be interpreted to exclude all Minerals.

3. **Exclusion of Personal Property and Load-Out Items.** The Property does not include any item of personal property or any Load-Out Item. “**Load-Out Item**” refers to any item of personal property and/or equipment (whether personal property or a fixture) that is or was located at Tract 1 and that was advertised and/or sold in connection with the timed online auction recently conducted by Auction Companies prior to this Auction.

4. **Purchase Price; Buyer’s Premium.** The purchase price for the Property (the “**Purchase Price**”) consists of the amount in U.S. Dollars which is written as the Bid Amount on the Signature Page (the “**Bid Amount**”), plus a Buyer’s Premium equal to four percent (4.0%) of the Bid Amount. **THE 4% BUYER’S PREMIUM IS AUTOMATICALLY ADDED TO THE BID AMOUNT TO ARRIVE AT THE PURCHASE PRICE.** Prior to the Closing, Buyer shall deliver Good Funds to the Escrow Agent in the amount of the Purchase Price, plus expenses charged to Buyer as provided in this Agreement, less applied Earnest Money and any other credits due Buyer as provided in this Agreement. “**Good Funds**” means immediately available funds delivered by confirmed wire transfer to an account designated by the Escrow Agent.

5. **Earnest Money.** Concurrently with the execution and delivery of this Offer, Buyer shall deliver an earnest money deposit (“**Earnest Money**”) payable to the Escrow Agent in an amount not less than ten percent (10%) of the Bid Amount. Upon Seller’s acceptance of this Offer, the Earnest Money shall be delivered to the Escrow Agent to be held in escrow and applied towards the payment of the Purchase Price at Closing. “**Escrow Agent**” refers to *American Abstract Co. of McClain County, Inc., 138 W. Main St., Purcell, OK (Tel: 405-527-7575).*

6. **Delivery of Title and Possession.** The title to and possession of the Property shall be delivered to Buyer effective upon completion of the Closing, subject to the Permitted Exceptions and all other terms and conditions of this Agreement. Seller shall furnish at Seller's expense, and shall execute and deliver at Closing, a warranty deed conveying the Property to Buyer, subject to the Permitted Exceptions and excluding all Minerals.

7. **Survey.** It is anticipated that the Property will be conveyed using the existing legal description provided by the title company. In any event, a new survey of all or any part(s) of the Property shall be obtained prior to Closing *if and only if*: (a) the official(s) responsible for recording the conveyance will not accept the conveyance for recording without a new survey; or (b) Seller elects to obtain a new survey for any other reason in Seller's sole discretion. If a new survey is obtained: (i) the survey shall be ordered by an agent of the Seller; (ii) the survey shall be sufficient for the purpose of recording the conveyance, but the type of survey shall otherwise be determined solely by the Seller; and (iii) the survey shall identify the perimeter boundaries of the surveyed land, but a more detailed ALTA survey shall not be required or obtained unless otherwise agreed by Seller in its sole discretion. The cost of any survey obtained in accordance with the provisions of this Agreement ("**Survey**") shall be shared equally (50:50) by Seller and Buyer.

8. **Preliminary Title Evidence.** The "**Preliminary Title Evidence**" refers to the applicable preliminary title insurance schedules (preliminary schedules A, BI & BII) prepared by *American Abstract Co. of McClain County, Inc.*, as identified in the table below, together with copies of all recorded documents referenced in the preliminary schedule BII. The Preliminary Title Evidence is included in the Auction Exhibit Binder as Exhibits C and D and has been posted to the auction website (<https://www.schraderauction.com/auctions/8645>). Buyer agrees to purchase and acquire the Property subject to and notwithstanding all matters affecting the Property that are listed, referenced, identified, or disclosed in the Preliminary Title Evidence (except a Lien and/or Lease, if any, appearing of record).

Preliminary Title Evidence Correlation Table:

Auction Tract:	American Abstract File No.:	Dated:
1	20231597-1	12/18/2023
2	20231598-1	12/18/2023

9. **Final Title Commitment.** As a condition precedent to Buyer's obligation to acquire the Property at Closing, Buyer has the right to receive a commitment, dated after this Agreement, for the issuance of a standard coverage ALTA owner's title insurance policy insuring fee simple title to the Property in the name of Buyer for the amount of the Purchase Price, free and clear of any Lien, Lease and/or other material encumbrance that does not constitute a Permitted Exception ("**Final Title Commitment**"). The Final Title Commitment shall be prepared by the same company that prepared the Preliminary Title Evidence. Buyer agrees to accept the Final Title Commitment furnished by Seller notwithstanding: (a) standard exceptions (including survey exceptions) and all other exceptions shown in Schedule B, Part II of the Preliminary Title Evidence; (b) any exception, condition or requirement that Seller intends to satisfy and/or remove (and is in fact satisfied and/or removed) at the time of or prior to Closing; and/or (c) any matter listed, referenced, identified, or disclosed in the Final Title Commitment that constitutes a Permitted Exception. The cost of furnishing the Final Title Commitment shall be charged to Seller.

10. **Title Insurance at Buyer's Expense.** If Buyer and/or Buyer's lender elect(s) to purchase title insurance: (a) the cost of issuing any title insurance policy shall be charged to Buyer, including title insurance premiums; and (b) Seller shall reasonably cooperate with respect to the satisfaction of the requirements for issuing a standard coverage ALTA owner's title insurance policy, as set forth in the Final Title Commitment; *provided, however*: (i) Buyer shall be responsible for the satisfaction of any title insurance requirement pertaining to Buyer or the proposed insured or any obligation of Buyer or the proposed insured or any title insurance requirement that can only be (or that reasonably should be) satisfied by Buyer as opposed to Seller (each a "**Buyer-Related Requirement**"); (ii) Seller shall have no obligation with respect to and Buyer's obligations are not contingent upon the satisfaction of any Buyer-Related Requirement or the availability or issuance of any extended or special title insurance coverage, any title insurance endorsement or any other title insurance product other than the Final Title Commitment for the issuance of a standard coverage ALTA owner's title insurance policy as described in this Agreement; and (iii) Seller shall have no obligation with respect to the satisfaction of any title insurance requirement or condition that is contrary to or inconsistent with the provisions of this Agreement.

11. **Permitted Exceptions.** As between Buyer and Seller, Buyer agrees to accept title, possession, the deed, the Final Title Commitment, any title insurance and any survey subject to and notwithstanding any of the following

matters (each a “**Permitted Exception**” and collectively the “**Permitted Exceptions**”): (a) existing roads, public utilities and drains, and statutory easements on section lines; (b) visible and/or apparent uses and easements; (c) existing pipelines, whether or not visible or apparent and whether or not appearing of record; (d) rights and/or claims relating to or arising from any variation between a deeded boundary line and a fence line or other visible occupancy or occupancy line and/or the encroachment of any existing use, structure or improvement over any boundary line; (e) any lien for current real estate taxes and/or special assessments not yet due and payable; (f) local ordinances and zoning laws; (g) outstanding reservations, severances and/or other rights with respect to Minerals; (h) any matter pertaining to Minerals and/or mineral rights, including any existing leases, easements and/or surface use agreements; (i) any matter (except a Lien or Lease, if any) disclosed in this Agreement or disclosed in any exhibit included with the Auction Exhibit Binder; and (j) any plat, easement, condition, restriction, reservation, and/or other matter (except a Lien or Lease, if any) appearing of record and listed, referenced, identified, or disclosed in the Preliminary Title Evidence.

12. **Lien and/or Lease.** The Permitted Exceptions do not include (and Buyer is not required to accept the title subject to) any Lien and/or Lease. “**Lien**” refers to any/each mortgage, deed of trust, bond, judgment lien and/or other monetary obligation attaching as a lien against the Property, other than a lien for current real estate taxes and/or special assessments not yet due and payable. “**Lease**” refers to any/each (surface only) lease of the Property, if any, appearing of record.

13. **Conveyance Requirements.** Buyer’s obligation to purchase and acquire the Property at Closing is contingent upon the satisfaction of the following conditions and requirements (collectively, the “**Conveyance Requirements**”): (a) that Buyer has received the Final Title Commitment in accordance with the provisions of this Agreement; (b) that Seller is able to satisfy the requirements of the Final Title Commitment for the issuance of a standard coverage ALTA owner’s title insurance policy, other than a Buyer-Related Requirement; (c) that Seller is able to convey fee simple title to the Property, free and clear of any Lien, Lease and/or other material encumbrance that does not constitute a Permitted Exception; and (d) that Seller is able to deliver possession of the Property at the time of Closing (subject to the Permitted Exceptions). For purposes of this Agreement, the title to the Property shall be deemed sufficient and marketable if Seller is able to convey the Property in conformance with the Conveyance Requirements. If Seller is unable to convey the Property in conformance with the Conveyance Requirements: (i) such inability shall constitute a failure of said condition, but not a Seller default; and (ii) either party may terminate this Agreement prior to Closing by written notice to the other; *provided, however*, prior to any such termination by Buyer, Buyer must give Seller sufficient written notice of the non-conformity to enable Seller to cure such nonconformity and Seller shall have the right to extend the time for Closing, in order to cure such nonconformity, for a period of up to 60 days from the later of the effective date of such notice or the targeted closing date stated in Section 15 below. In the event of termination by either party pursuant to this Section, Buyer shall be entitled to the return of the Earnest Money as Buyer’s sole and exclusive remedy.

14. **Conditions to Closing.** Buyer’s obligation to purchase and acquire the Property at Closing is not contingent upon any further inspection, investigation or evaluation of the Property or upon Buyer’s ability to obtain any loan or permit. Buyer’s obligation to purchase and acquire the Property at Closing is not contingent upon the satisfaction of any condition except: (a) the performance (or tender of performance) of all covenants and obligations which are to be performed by Seller at the time of or prior to Closing according to the express terms of this Agreement; and (b) any condition or requirement the satisfaction of which is made a condition precedent in favor of Buyer according to the express terms of this Agreement (including the condition that Seller is able to convey the Property in conformance with the Conveyance Requirements).

15. **Closing.** Subject to the terms and conditions of this Agreement, the final delivery and exchange of documents and funds in order to consummate the sale and purchase of the Property in accordance with this Agreement (“**Closing**”) shall be scheduled and completed in accordance with this Section. It is anticipated that the Closing will be scheduled by mutual agreement and completed ***on or before March 15, 2024***. In any event, Seller may arrange for the Closing to be held on a date specified in a notice from Seller or Seller’s agent to Buyer or Buyer’s agent. Subject only to the satisfaction of the conditions described in Section 14 above, Buyer shall be obligated to close on the date specified in such notice if such date is not earlier than ***March 15, 2024*** and at least 7 days after: (a) such notice has been sent; (b) the Survey (if applicable) has been completed; and (c) the Final Title Commitment has been completed. The Closing shall be held at and/or administered by and through the office of the Escrow Agent.

16. **Seller's Expenses.** The following items shall be charged to Seller and paid out of the sale proceeds that would otherwise be delivered to Seller at Closing: (a) the cost of releasing any Lien or Lease, if any, and recording the releases; (b) one-half of the fee charged by the Escrow Agent to administer a cash closing; (c) one-half of the cost of the Survey, if any; (d) the cost of furnishing the Final Title Commitment; (e) the cost of preparing Seller's transfer documents, including the deed; (f) the documentary stamp tax; (g) any sums due Auction Companies in connection with this transaction; (h) any expense stipulated to be paid by Seller under any other provision of this Agreement; and (i) any expense normally charged to a seller at closing and not specifically charged to Buyer in this Agreement.

17. **Buyer's Expenses.** The following items shall be charged to Buyer and paid out of Good Funds delivered by Buyer to the Escrow Agent prior to Closing: (a) any expense paid at Closing in connection with or related to any loan obtained by Buyer; (b) one-half of the fee charged by the Escrow Agent to administer a cash closing (and 100% of any additional closing fees due to any loan); (c) one-half of the cost of the Survey, if any; (d) the cost of issuing any title insurance policy, including title insurance premiums and the cost of any extended or special coverage, lender's coverage and/or title insurance endorsements; (e) any expense stipulated to be paid by Buyer under any other provision of this Agreement; (f) any closing expense that is customarily charged to a purchaser and is not specifically charged to Seller in this Agreement; and (g) any other expense that is not allocated to Seller according to the terms of this Agreement.

18. **Taxes and Assessments.** Buyer shall pay all general real estate taxes (and special assessments, if any) that become due after Closing to the extent attributed to the Property for the period after Closing. (The Property is and has been exempt from ad valorem taxation while owned by Seller.)

19. **Risk of Loss.** The Property shall be conveyed at Closing in substantially its present condition and Seller assumes the risk of loss and damage until Closing; *provided, however*, Buyer shall be obligated to acquire the Property notwithstanding the occurrence of any of the following prior to Closing: (a) normal use, wear and tear; (b) loss or damage that is repaired prior to Closing; and (c) loss covered by Seller's insurance if Seller agrees to assign to Buyer all insurance proceeds covering such loss.

20. **Remedies; Buyer Default.** As used herein, the term "**Buyer Default**" refers to any defect or default with respect to delivery of the Earnest Money (including nonpayment or dishonor of any check) and/or the failure of this transaction to close due to nonperformance, breach and/or default with respect to the Buyer's obligation(s) under this Agreement. In the event of a Buyer Default, the following provisions shall apply:

(a) Seller shall have the right to demand and recover liquidated damages in an amount equal to ten percent (10%) of the Bid Amount. Upon Seller's demand and receipt of such liquidated damages, this Agreement shall be completely terminated in all respects. Buyer acknowledges and agrees that, in the event of a Buyer Default, the amount of Seller's damages would be uncertain and difficult to ascertain and that 10% of the Bid Amount is fairly proportionate to the loss likely to occur due to a Buyer Default. If this liquidated damages provision is adjudicated as unenforceable, Seller may recover and Buyer agrees to pay actual damages (plus expenses and attorney fees).

(b) The Earnest Money shall be applied towards any sums that Seller is entitled to recover from Buyer and, upon Seller's demand, Buyer shall execute and deliver to the Escrow Agent an instrument authorizing the payment of such funds to Seller up to the amount due Seller. If Buyer fails to execute and deliver such authorization, the funds shall remain in escrow until properly adjudicated and Seller shall have the right to recover from Buyer, in addition to any other recovery, all expenses, including reasonable attorney fees, thereafter incurred by Seller in seeking to enforce any right or remedy.

(c) Without limiting the foregoing provisions, Seller's remedies in the event of a Buyer Default shall include the right to terminate Buyer's right to acquire the Property under this Agreement (without prejudice to Seller's right to recover damages, including liquidated damages as provided above) by giving notice of such termination to Buyer. Any such termination shall be effective as of a date specified in a notice of termination from Seller to Buyer (but not earlier than the effective date of the notice). At any time after the effective date of such termination, Seller shall have the absolute and unconditional right to sell the Property free and clear of any right or claim of Buyer whatsoever.

21. **Remedies; Seller Default.** The term "**Seller Default**" refers to the failure of this transaction to close due to nonperformance, breach and/or default with respect to the Seller's obligation(s) under this Agreement; *provided, however*, if Seller is unable to convey the Property in accordance with the Conveyance Requirements, such inability

shall constitute a failure of a condition under Section 13 above, and not a Seller Default. In the event of a Seller Default: (a) Buyer shall have the right to demand and receive a full refund of the Earnest Money; (b) upon such demand and Buyer's receipt of the Earnest Money, this Agreement shall be completely terminated in all respects at such time; and (c) at Buyer's option, at any time prior to such termination, Buyer may elect instead to seek specific performance of Seller's obligations.

22. Remedies; General. Notwithstanding any other provision, if this transaction fails to close, the Escrow Agent is authorized to hold the Earnest Money until it receives either: (a) written disbursement instructions signed by Buyer and Seller; (b) a written release signed by one party authorizing disbursement to the other party; or (c) a final court order specifying the manner in which the Earnest Money is to be disbursed. In the event of a lawsuit between the parties seeking any remedy or relief in connection with this Agreement and/or the Property, the prevailing party in such lawsuit shall be entitled to recover its reasonable attorneys' fees and expenses. **TO THE FULL EXTENT PERMITTED BY LAW, BUYER AND SELLER HEREBY WAIVE ANY RIGHT TO A TRIAL BY JURY (TO THE EXTENT THAT SUCH RIGHT NOW OR HEREAFTER EXISTS) WITH REGARD TO THIS AGREEMENT AND/OR THE PROPERTY AND/OR ANY CLAIM, COUNTERCLAIM, THIRD PARTY CLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH.**

23. Notices. Any notice given under this Agreement shall be in writing and in a form which clearly shows an intention to give notice under this Agreement. A notice given to a party under this Agreement shall be sent via email to the email address(es) provided with that party's notification address (as provided below); *provided, however,* if an email address is not provided with the party's notification address in this Agreement, such notice shall be sent via any commonly-used overnight delivery service (such as overnight delivery via USPS, FedEx or UPS) that includes proof of delivery. A copy of a notice sent by any party (other than a notice sent by the Auction Manager as the agent of Seller) shall be sent to the Auction Manager via email to Brent@schraderauction.com. A notice shall be effective immediately as of the first day on which the notice has been sent in accordance with the requirements of this Section (regardless of the date of receipt). A party who fails to provide a proper email address with the party's notification address in this Agreement assumes the risk of receiving a notice after it has become effective. Subject to each party's right to change its notification address (by giving notice of such change to all other parties), the parties' notification addresses are as follows:

If to Seller: C/o Andrea Millsap, City Clerk, via email to: andie.millsap@purcellok.gov
With a copy to the Auction Manager, via email to: Brent@schraderauction.com

If to Buyer: The Buyer's email address(es) (if any) or regular mail address provided on the Signature Page.
With a copy to the Auction Manager, via email to: Brent@schraderauction.com

24. Agency; Sales Fee. Auction Companies and their respective agents and representatives are acting solely on behalf of, and exclusively as the agents for, the Seller. Buyer and Seller acknowledge receipt of the Oklahoma Real Estate Commission form of "*Disclosure to Seller or Buyer of Brokerage Duties, Responsibilities and Services*", which is included as Exhibit B in the Auction Exhibit Binder. Exhibit B is incorporated as part of the terms of this Agreement and shall be signed by the parties and attached to this Agreement pursuant to 59 Okl. St. § 858-356. The commission due Auction Companies shall be paid by Seller pursuant to a separate agreement. Buyer shall indemnify and hold harmless Seller and Auction Companies from and against any claim of any broker or other person who is or claims to be entitled to any commission, fee or other compensation relating to the sale of the Property as a result of Buyer's dealings with such other broker or person.

25. Buyer's Acknowledgment of Certain Disclosures and Disclaimers. Buyer acknowledges and agrees that:

(a) Prior to submitting this Offer, Buyer received the Auction Exhibit Binder with the following exhibits:

Exhibit A: Revised Auction Tract Map & Tract Descriptions

Exhibit B: Disclosure to Seller or Buyer of Brokerage Duties, Responsibilities and Services

Exhibit C: Preliminary Title Evidence for **Tract 1** consisting of preliminary title insurance schedules (preliminary schedules A, BI & BII) prepared by American Abstract Co. of McClain County, Inc., dated December 18, 2023 and identified by reference to File Number 20231597-1, together with copies of all recorded documents referenced in the preliminary schedule BII.

Exhibit E: Copy of survey of **Tract 1** by Fox Engineering, Inc. dated 9/5/2022 (last revised on 1/5/2024).

(b) Buyer's obligations under this Agreement are not contingent upon the results of any further inspection, investigation or evaluation of the character or condition of the Property or its suitability for any particular use or purpose. Buyer is responsible for having completed all such inspections, investigations and evaluations prior to submitting this Offer. Buyer acknowledges (and represents to Seller) that Buyer has either completed all such inspections, investigations and evaluations or has knowingly and willingly elected to purchase the Property without having done so. In either case, Buyer assumes all risks and agrees to purchase and acquire the Property **"AS IS"** and **WITHOUT ANY WARRANTY OF ANY KIND AS TO THE CHARACTER OR CONDITION OF THE PROPERTY OR ITS SUITABILITY FOR ANY PARTICULAR USE OR PURPOSE.**

1. Duties and Responsibilities. A Broker who provides Brokerage Services to one or both parties shall describe and disclose in writing the Broker's duties and responsibilities prior to the party or parties signing a contract to sell, purchase, option, or exchange real estate.

A Broker shall have the following duties and responsibilities which are mandatory and may not be abrogated or waived by a Broker, whether working with one party, or working with both parties:

- A. treat all parties to the transaction with honesty and exercise reasonable skill and care;
- B. unless specifically waived in writing by a party to the transaction:
 - 1) receive all written offer and counteroffers;
 - 2) reduce offers or counteroffers to a written form upon request of any party to a transaction; and
 - 3) present timely all written offers and counteroffers.
- C. inform, in writing, the party for whom the Broker is providing Brokerage Services when an offer is made that the party will be expected to pay certain closing costs, Brokerage Service costs and the approximate amount of the costs;
- D. keep the party for whom the Broker is providing Brokerage Services informed regarding the transaction;
- E. timely account for all money and property received by the Broker;
- F. keep confidential information received from a party or prospective party confidential. The confidential information shall not be disclosed by a Broker without the consent of the party disclosing the information unless consent to the disclosure is granted in writing by the party or prospective party disclosing the information, the disclosure is required by law, or the information is made public or becomes public as the result of actions from a source other than the Broker. The following information shall be considered confidential and shall be the only information considered confidential in a transaction:
 - 1) that a party or prospective party is willing to pay more or accept less than what is being offered,
 - 2) that a party or prospective party is willing to agree to financing terms that are different from those offered,
 - 3) the motivating factors of the party or prospective party purchasing, selling, optioning or exchanging the property, and
 - 4) information specifically designated as confidential by a party unless such information is public.
- G. disclose information pertaining to the Property as required by Residential Property Condition Disclosure Act;
- H. comply with all requirements of the Oklahoma Real Estate Code and all applicable statutes and rules;
- I. when working with one party or both parties to a transaction, the duties and responsibilities set forth in this section shall remain in place for both parties.

2. Brokerage Services provided to both parties to the transaction. The Oklahoma broker relationships law (Title 59, Oklahoma Statutes, Section 858-351 – 858-363) allows a real estate Firm to provide brokerage services to both parties to the transaction. This could occur when a Firm has contracted with a Seller to sell their property and a prospective Buyer contacts that same Firm to see the property. If the prospective Buyer wants to make an offer on the property, the Firm must now provide a written notice to both the Buyer and Seller that the Firm is now providing brokerage services to both parties to the transaction. The law states that there are mandatory duties and responsibilities that must be performed by the broker for each party.

3. Broker providing fewer services. If a Broker intends to provide fewer Brokerage Services than those required to complete a transaction, the Broker shall provide written disclosure to the party for whom the Broker is providing services. The disclosure shall include a description of those steps in the transaction that the Broker will not provide and state that the Broker assisting the other party in the transaction is not required to provide assistance with these steps in any manner.

4. Confirmation of disclosure of duties and responsibilities. The duties and responsibilities disclosed by the Broker shall be confirmed in writing by each party in a separate provision, incorporated in or attached to the contract to purchase, option or exchange real estate.

gainful occupation, profession, business, trade or other non-residential activity shall be conducted on any lot or in any residence or detached structure located thereon. Nothing herein shall be deemed to prevent the leasing of any lot from time to time by the Owner thereof subject to all the terms and provisions hereof, and to the rules.

Lots 6, 7, 8, 9, 10, 11, 12, and 13 of Block 1 and Lots 1, 2, 3, and 4 of Block 2 are designated for commercial use and are hereby exempted from these covenants. Block 3 and Block 6 are designated for future subdivision into residential lots; however, the covenants pertaining to residential construction shall apply to any lots contained in Block 3 and Block 6.

Section 2 Building Restrictions

(a) **Minimum Residence Size** No residence which contains less than 1,500 square feet, exclusive of basements, open porches, attached carports, attached garages and detached structures shall be built on any lot.

(b) **Maximum Residence Height** No residence which contains more than two (2) stories shall be built on any lot, provided, however, that the ground floor of the main structure of any two-story residence shall contain not less than 1,200 square feet.

(c) **Materials** The principal exterior material of the first floor of any residence shall be at least eighty percent, (80%) brick, stone or stucco and each detached structure, with the exception of a greenhouse, shall be constructed of the same materials as the residence to which it is appurtenant. Wood of durable variety may be used on the second floor exterior of any residence. Roofs may be of wood shingles or shakes; slate, clay or concrete tile; built-up with stone covering' or "approved" laminated type composition shingles. "Approved" laminated type composition shingles shall be limited to those which carry a UL Class "A" fire rating, UL wind resistance rating against winds up to 60 MPH, and manufacturer's limited warranty for not less than twenty-five (25) years.

(d) **Foundations** Foundations shall be designed so as to prohibit exposure of formed concrete above natural grade.

(e) **Garages** Garages or carports must be at least two (2) cars wide and may be attached to, detached from or built within a residence. All overhead doors must be aluminum, steel or other metal approved by the Architectural Committee.

(f) **Building Limit Lines** No building structure or part thereof, except as herein after provided, shall be erected or maintained on any lot beyond the front building limit line. Further, no building structure or part thereof shall be erected nearer than five (5) feet to a side lot line except that cornices, spoutings, chimneys and ornamental projections may extend two (2) feet nearer such side lot line; such limitations being herein called the "Side Building Limit Lines."

(g) Single Story Homes All single story homes shall have a minimum of six (6) pitch principal roof line unless the Architectural Committee waives this requirement.

(h) Signs, Billboards and Detached Structures No signs or billboards will be permitted upon any lot except signs advertising the sale or rental of a lot or lots which do not exceed five (5) square feet in area; provided, however, that this restriction shall not apply to the Declarant. No Detached Structures shall be allowed on any lot which (a) except for greenhouses, does not correspond in style and architecture to the residence to which it is appurtenant, or (b) is more than one (1) story in height.

For the purpose of this restriction, small tool storage sheds of less than 121 square feet floor areas and six (6) foot six (6) inch (6'6") cave height may be maintained within rear yard areas provided such rear yard is enclosed with an approved 6-foot high, sight-proof fence.

(i) Grading and Excavation No building or other structure shall be constructed or maintained upon any lot which would in any way impede natural drainage. No grading, scraping, excavation or other rearranging or puncturing of the surface of any lot shall be commenced which will or may tend to interfere with, encroach upon or alter, disturb or damage any surface or subsurface utility line, pipe, wire or easement, or which will or may tend to disturb the minimum or maximum subsurface depth requirement of any utility line, pipe, wire or easement. Any such interference, encroachment, alteration, disturbance or damage due to the negligence of an Owner or his agents, contractors, or representatives will be the responsibility of such Owner, and the owner of the line, pipe, wire or easement may effect all necessary repairs and charge the cost of the same to such Owner.

(j) Moving Existing Building Onto a Lot Prohibited No existing, erected house or detached structure may be moved onto any lot from another location.

(k) Construction Period Upon commencement of excavation for the construction of a residence, the work must thereafter be continuous unless delay is approved by the Architectural Committee in writing. If a delay of more than ninety (90) days occurs without the Architectural Committee's consent which will not be unreasonably withheld, the Developer may, but shall not be obligated to, complete such construction, at the Owner's sole cost and expense.

(l) Utilities The Owner of each lot shall provide the required facilities to receive electric service and telephone service leading from the sources of supply to any improvements erected on such lot by means of underground service conductors installed, owned and maintained by the Owner in accordance with plans and specifications furnished by the suppliers of such services. No Owner shall demand or require the furnishing of such services through or from overhead wiring facilities as long as underground distribution systems are available. Any and all rebates or refunds payable by the City of Purcell or any other provider of utilities related to reimbursement for development cost shall be payable only to the developer and shall not become the property of any subsequent property owner.

Section 3 General Restrictions

(a) Animals No animals, fish, reptiles, rabbits, swine, or fowl, other than a reasonable number generally recognized as house or yard pets, shall be maintained on any lot, and then only if kept solely as household pets and not kept, bred or raised for commercial purposes. No pet or pets shall be allowed to make an unreasonable amount of noise or otherwise to become a nuisance. Upon request of any owner, or at its sole discretion, the Declarant may declare any particular animal, fish, reptile, rabbits, swine or fowl regardless of size or number to be a nuisance and that any number of such animals shall be a nuisance and/or a hazard to the enjoyment, pleasure or health to other owners. In no instance shall horses, mules, donkeys, cattle, goats, rabbits, swine, ratites, or sheep be considered as house or yard pets and permissible under this Section.

(b) Storage of Building Materials No building material of any kind or character shall be placed or stored upon the property line of the lot upon which the improvements are to be erected, and shall not be placed in the streets or between the curb and the property line.

(c) Vacant Lots No trash, grass clippings, shrub trimmings, ashes or other refuse may be thrown or dumped on any vacant lot. Dead trees or shrubs shall be removed within the growing season that they appear to be dead. Each Owner of a vacant lot is required to keep such lot in presentable condition or the Declarant may, at its discretion, mow such lot, trim trees, remove trash or refuse and, if necessary, levy an assessment upon such lot for the cost involved, which shall constitute a lien upon such lot to the same extent as provided elsewhere herein.

(d) Nuisances No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become a nuisance or annoyance to the neighborhood.

(e) Storage Tanks No tank for the storage of oil, water, or other fluids, or any other substance regardless of nature, may be maintained above the ground and outside an authorized structure on any of the lots without the consent in writing of the Architectural Committee.

(f) Boats, Trailers and Vehicles; Temporary Residences Boats, trailers, motorhomes, or other recreational vehicles may be kept on the premises provided they are concealed within the residence garage or located behind an approved 6-foot high, sight-proof fence. Automobiles and pickup trucks may be parked in driveway. Commercial vehicles, except for pickup trucks, are prohibited. No more than two vehicles may be parked on the driveway on a regular basis.

Under no conditions may a trailer of any type be occupied, temporarily or permanently, as a residence except during the construction period and then only by a workman or watchman. No garage or out-building on any lot shall be used as a residence or living quarters, except by servants engaged on the premises.

(g) Maintenance of Lawns and Plantings on Lots Each owner shall keep all shrubs, trees, grass and plantings of every kind on his lot to the curb lines, neatly trimmed, properly cultivated and free of trash, weeds and other unsightly material. No tree, shrub or planting of any kind shall be allowed to overhang or otherwise encroach upon any street from ground level to a height of fourteen (14) feet without the prior approval of the Architectural Committee.

(h) Repair of Buildings and Improvements No building or improvement upon any lot shall be permitted to fall into disrepair, but shall at all times be kept in good condition and repair and adequately painted or otherwise finished.

(i) Garbage, Trash Containers and Collections All garbage shall be disposed of in a kitchen sink appliance installed for that purpose by each Owner in his residence. All other refuse, including lawn and garden clippings and trash, shall be kept in containers. In no event shall such containers be maintained so as to be visible from streets or neighboring property, except to make them available for collection, and then only for the shortest time reasonably necessary to effect such collection.

(j) Clothes Drying Facilities No outside clothes drying or airing facility shall be visible from streets or neighboring property.

(k) Treeshouses, Platforms and Antennae No treeshouses, platforms in trees, play towers, or other similar structures or equipment, or radio or television antennae greater than four feet in height or three feet in diameter shall be visible from neighboring property.

(l) Fences Fences may be erected along rear property lines, side lot lines on interior lots and on or behind front building limit lines or side building limit lines abutting the side street or a corner lot as shown on the recorded plat. Fences shall be constructed of wood plank, stockade or similar wood materials and shall have finished picket or decorative side facing front and/or side streets. Masonry, stone or brick fences may be approved subject to Architectural Committee approval.

Section 4 Variances As to any lot, the limitations and restrictions of Sections 1 through 3 of this Article may be waived or modified by the Architectural Committee, to the extent permitted by law, upon written application made in advance by the Owner seeking a variance, as to which the judgment of the Architectural Committee shall be conclusive; provided, however, that, if the Architectural Committee fails to approve or disapprove such application within thirty (30) days after its receipt, the application shall be deemed approved.

Section 2 Enforcement Should the Owner or Tenant of any block or lot or building site in this addition violate any of the restrictive covenants or conditions contained herein, and

thereafter refuse to correct same and to abide by said restrictions and conditions contained herein after reasonable notice, then, in such event, any owner of any block, lot or building site in this addition may institute legal proceedings to enjoin, abate or correct such violation or violations. The Owner of the block, lot or lots or building site permitting the violation of such restriction or condition shall pay all attorneys' fees, court costs and other necessary expenses incurred by the person instituting such legal proceedings to maintain and enforce the aforesaid restrictions and conditions, said attorneys' fees, court costs, and other expenses allowed and assessed by the Court for the aforesaid violation or violations shall become alien upon the land as of the date legal proceedings were originally instituted, and said lien shall be subject to foreclosure in such action so brought to enforce such restrictions in the manner provided by law. Failure by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do thereafter.

Section 3 Severability Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provision which shall remain in full force and effect.

Section 4 Amendment The covenants and restrictions of this declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety percent (90%) of the lot Owners, and thereafter by an instrument signed by not less than seventy-five percent (75%) of the lot Owners. Any amendment must be recorded.

IN WITNESS WHEREOF, the undersigned, being the Declarant herein, has hereunto set its hand and seal this 14th day of July, 1998.

AMENDMENT TO DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

THIS AMENDMENT TO DECLARATION, made on the date hereinafter set forth by the undersigned lot Owners, being not less than ninety percent (90%) of the lot Owners within Northern Winds Heights Addition to the City of Purcell, McClain County, Oklahoma, as defined in Section 4 appearing on page 7 of the original Declaration of Covenants, Conditions and Restrictions recorded on July 14, 1998, in Book 1489, Pages 567 through 576 of the records of McClain County, Oklahoma, hereinafter referred to as "Declarants of Amendment to Declaration".

WITNESSETH:

WHEREAS, Declarants of Amendment to Declaration are not less than ninety percent (90%) of the lot Owners within Northern Winds Heights Addition to the City of Purcell, McClain County, Oklahoma, being a part of the Northwest Quarter (NW/4) of Section Thirty-six (36), Township Seven (7) North, Range Two (2) West, I.M., McClain County, Oklahoma.

WHEREAS, Declarants of Amendment to Declaration hereby intend to amend the original DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS, according to the terms hereof and intend to clarify the purpose and meaning of certain ambiguous provisions of said original DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS.

NOW THEREFORE, Declarants of Amendment to Declarations hereby declare that except as stated herein, the recorded on July 14, 1998, in Book 1489, Pages 567 through 576 of the records of McClain County, Oklahoma, are reaffirmed and shall continue in full force and effect.

1. The definition of the terms "Owner", "Properties", "Lot", and "Declarant" as contained in ARTICLE I, DEFINITIONS, SECTION 1 through SECTION 4 shall remain unchanged.
2. Section 5 of ARTICLE I, DEFINITIONS, defining "Architectural Committee" is hereby amended and shall henceforth read as follows:
Section 5. "Architectural Committee" shall consist of three (3) Owners elected by the Owners at annual meetings of the Owners. Each Lot shall have one (1) vote, provided however that no Owner shall be entitled to more than one (1) vote. The annual meeting of the Owners shall take place at 7:00 p.m. on the first Monday evening in August of each year at a location within the Addition to be determined by the Architectural Committee. Notice of the date and location of the annual meeting shall be mailed by first class mail at least 14 days prior to the annual meeting to all Owners at the address shown on the records of the McClain County Treasurer as of July 1 of each year. Until such time that the Architectural Committee shall be elected, HOWELL PENDLETON shall serve from the date hereof until

August 2, 2004; JOHN OTT shall serve from the date hereof until August 1, 2005; and PAT BAYTER shall serve from the date hereof until August 7, 2006. The terms of persons elected to succeed HUT P. MAYES, AL MUSGRAVE and KEVIN WINGATE shall be three (3) years. Any member of the Architectural Committee who ceases to be an Owner shall automatically cease to be a member of the Architectural Committee. In the event of a vacancy on the Architectural Committee, the remaining members of the Architectural Committee may appoint a new member to serve the remainder of the term that has been vacated. In the event the remaining members fail to appoint a new member of the Architectural Committee within sixty (60) days of a vacancy occurring, then a special meeting of the Owners must be called to elect a member of the Architectural Committee to serve the remainder of the term that has been vacated. Notice of a special meeting shall be given in the same manner as notice of an annual meeting to all Owners as shown by the records of the McClain County Treasurer as of the date that the notice is required to be mailed. No Owner shall succeed themselves as a member of the Architectural Committee unless 100% of the Owners unanimously elect a member to succeed themselves at an annual meeting. At no time shall more than one member of the Architectural Committee be a non-resident Owner.

3. Section 1 of ARTICLE II, ARCHITECTURAL CONTROL, is hereby amended and shall henceforth read as follows:

Section 1. Review No building, fence, walk, driveway, wall or other structure or improvement shall be commenced, erected or maintained upon the properties nor shall any exterior addition to or change or alteration therein be made until the plans or specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the "Architectural Committee". With respect to all such submissions, the judgment of the Architectural Committee shall be conclusive. All approvals shall be in writing, and may be qualified upon the satisfaction of specified conditions, provided, however, that in the event the Architectural Committee fails to approve or disapprove any such design or location within thirty (30) days after the required plans and specifications have been submitted to it, approval will not be required and this condition will be deemed to have been fully satisfied.

4. Section 2 and 3 of ARTICLE II, ARCHITECTURAL CONTROL, dealing with "Fees" and "Proceeding with Work" shall remain unchanged.

5. Section 1 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, is hereby amended and shall henceforth read as follows:

Section 1. Land Classification All Lots within Blocks 4 and 5 are hereby classified as single-family lots, i.e. each such lot shall be used

exclusively for single-family residential purposes and for the exclusive use and benefit of the Owner thereof, provided, however, that with the written approval of the Architectural Committee, one (1) or more lots or one (1) lot and a part of a second lot may combined into a plot. In no case, however, shall a residence ever be built upon a tract consisting of less than an entire lot, nor more than one (1) residence on any lot or plot. No gainful occupation, profession, business, trade or other non-residential activity shall be conducted on any lot or in any residence or detached structure located thereon. Nothing herein shall be deemed to prevent the leasing of any lot from time to time by the Owner thereof subject to all the terms and provisions hereof.

Lots 6, 7, 8, 9, 10, 11, 12, and 13 of Block 1 and Lots 1, 2, 3, and 4 of Block 2 are designated for commercial use and are hereby exempted from these covenants. Block 3 has been previously withdrawn from these covenants. Block 6 is designated for future subdivision into residential lots; however the covenants pertaining to residential construction shall apply to any lots contained in Block 6.

6. Paragraphs (a), (b), (c), (d), (e), (f), and (g) of Section 2 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, dealing with "Minimum Residence Size", "Maximum Residence Height", "Materials", "Foundations", "Garages", "Building Limit Lines" and "Single Story Homes" shall remain unchanged.
7. Paragraph (h) of Section 2 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, is hereby amended and shall henceforth read as follows:

(h) Signs, Billboards and Detached Structures No signs or billboards will be permitted upon any lot except signs advertising the sale or rental of a lot or lots which do not exceed five (5) square feet in area. No Detached Structure shall be allowed on any lot which (a) except for greenhouses, does not correspond in style and architecture to the residence to which it is appurtenant, or (b) is more than one (1) story in height. For purposes of this restriction, small tool storage sheds of less than 121 square feet floor areas and six (6) foot, six (6) inch (6'6") cave height may be maintained within rear yard areas provided such rear yard is enclosed with an approved 6-foot high sight-proof fence.
8. Paragraph (i) of Section 2 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, dealing with "Grading and Excavation" shall remain unchanged.
9. Paragraph (j) of Section 2 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, is hereby amended and shall henceforth read as follows:

(j) **Moving Existing Building Onto a Lot Prohibited** No existing, erected house or detached structure may be moved onto any lot from another location. For purposes of clarification, the prohibition of this paragraph shall extend to modular housing, mobile homes, and all other structures manufactured, constructed, fabricated or assembled off site and moved onto any lot regardless of whether the structure is new or remodeled.

10. Paragraph (k) of Section 2 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, is hereby amended and shall henceforth read as follows:

(k) **Construction Period** Upon commencement of excavation for the construction of a residence, the work must thereafter be continuous unless the delay is approved by the Architectural Committee in writing. Said consent shall not be unreasonably withheld. If a delay of more than ninety (90) days occurs without the Architectural Committee's consent, the construction site shall be deemed a nuisance and the Architectural Committee or any Owner may seek to have the nuisance abated as a private nuisance at the cost of the Owner of the Lot upon which construction is delayed, in any manner provided by law.

11. Paragraph (l) of Section 2 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, dealing with "Utilities" shall remain unchanged.

12. Paragraph (a) of Section 3 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, is hereby amended and shall henceforth read as follows:

(a) **Animals** No animals, fish reptiles, rabbits, swine, or fowl, other than a reasonable number generally recognized as house or yard pets, shall be maintained on any lot, and then only if kept solely as household pets and not kept, bred, or raised for commercial purposes. No pet or pets shall be allowed to make an unreasonable amount of noise or otherwise to become a nuisance. Upon request of any owner, or at its sole discretion, the Architectural Committee may declare any particular animal, fish, reptile, rabbit, swine or fowl regardless of size or number to be a nuisance and that any number of such animals shall be a nuisance and/or a hazard to the enjoyment, pleasure or health of other Owners. In no instance shall horses, mules, donkeys, cattle, goats, rabbits, swine, ratites, or sheep be considered as house or yard pets and permissible under this section.

13. Paragraph (b) of Section 3 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, dealing with "Storage of Building Materials" shall remain unchanged.

14. Paragraph (c) of Section 3 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, is hereby amended and shall henceforth read as follows:
(c) Vacant Lots No trash, grass clippings, shrub trimmings, ashes or other refuse may be thrown or dumped on any vacant lot. Dead trees or shrubs shall be removed within the growing season that they appear to be dead. Each Owner of a vacant lot is required to keep such lot in presentable condition or the Architectural Committee may at its discretion, mow such lot or contract to mow such lot, trim trees, remove trash or refuse and, if necessary, levy and assessment upon such lot for the cost involved, which shall constitute a lien upon such lot to the same extent as provided elsewhere herein.
15. Paragraphs (d), (e), (f), (g), (h), (i), (j), (k), and (l), of Section 3 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, dealing with "Nuisances", "Storage Tanks", "Boats, Trailers and Vehicles; Temporary Residences", "Maintenance of Lawns and Plantings on Lots", "Repair of Building and Improvements", "Garbage, Trash Containers and Collections", "Clothes Drying Facilities", "Treehouses, Platforms and Antennas", and "Fences" shall remain unchanged.
16. Section 4 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, is hereby amended and shall henceforth read as follows:
Section 4 Variances As to any Lot, the limitations and restrictions of Sections 1 through 3 of this Article may be waived or modified by the Architectural Committee, to the extent permitted by law, upon written application made in advance by the Owner seeking a variance, as to which the judgment of the Architectural Committee shall be conclusive, provided, any such variance shall be minor and shall not substantially depart from the limitations and restrictions of Sections 1 through 3 of this Article.
17. Following Section 4 of ARTICLE III, LAND CLASSIFICATION, PERMITTED USES AND RESTRICTIONS, in the original Declaration of Covenants, Conditions and Restrictions appears a Section 2 relating to Enforcement and a Section 3 relating to Severability and a Section 4 relating to Amendment, all of which shall remain unchanged.

IN WITNESS WHEREOF, the undersigned Declarants of Amendment to Declaration, who represent that they constitute not less than ninety percent (90%) of the lot Owners within Northern Winds Heights Addition to the City of Purcell, McClain County, Oklahoma, have hereunto set their hands this 29 day of AUGUST, 2013.
