WHEREAS, By such appointment and according to law we, the undersigned commissioners, are required to embody our doings and proceedings in a written report and file the same in the office of the County Clerk of said Pottawatomie County, Kansas:

NOW, THEREFORE, We, the undersigned, acting as such commissioners, so appointed as aforesaid, make this our report as follows, to-wit:

That prior to entering upon the discharge of our duties we duly qualified by each taking and subscribing an oath, in writing, to honestly and faithfully discharge our duties as such commissioners, which said respective oaths are now on file in the office of the Secretary of the Board of Directors of said drainage district.

That we also, before proceeding in the performance of the duties imposed upon us in respect to the appraisal and assessment of damages for right-of-way purposes of said Railroad right-of-way and private lands, gave ten days' notice, in writing, of the time and place when and where such appraisal and assessment would be made by one publication in The Wamego Times, a weekly newspaper published in and of general circulation in said County of Pottawatomie, which said notice, together with proof of publication thereof, is also filed in the office of the Secretary of the Board of Directors of said drainage district.

The said schedule "A" shows, as indicated thereon, an accurate

And having fully completed the performance of our duties in the matter of our said appointment and in respect to the appropriation and appraisal and assessment of damages of all of said Railroad right-of-way and private lands for drainage right-of-way purposes as aforesaid, we now make this our report of our proceedings and subscribe our names hereto, this 28th day of November, 1917.
